Dear Community Friend,

The Tomball Cougar Charms Booster Club is a non-profit 501(c)(3) organization that supports the Tomball High School Drill Team by seeking donations, providing financial support, and giving back through volunteering. We seek donations each year to assist with our goal of providing students with an elevated dance education and experiences beyond what other local schools provide.

Our excitement continues this year with the 47th line of Cougar Charms at Tomball High School. We are 35 members strong and we are asking for community support with a donation to the Cougar Charms Organization. We offer several different levels of sponsorship opportunities with many advertising and promotional benefits.

May we rely on your support for our award-winning Cougar Charms for the 2022-2023 school year?

The Cougar Charms participate in state and national competitions, as well as perform at the high school football and basketball games. For the Charms to continue representing the community of Tomball with great pride, we are seeking sponsorships and/or in-kind donations to help supplement the finances received through student participation fees and fundraising. Your sponsorship will help us underwrite the cost of costumes, transportation, competition fees, supplies, and much more.

The Tomball Cougar Charms Booster Club wants every student to have the opportunity to go higher and further with their dance skills and abilities. Your tax-deductible donation will help our students achieve their goals.

Thank you in advance for supporting the Tomball High School Cougar Charms.

Sincerely,

Tara Elliott
Charms Booster Club, President
